*Pudlowski v. The St. Louis Rams, LLC*, No. 1622-CC00083-01, is a class action involving a claim that the St. Louis Rams violated the Missouri Merchandising Practices Act through alleged misrepresentations and omissions regarding their intent to move the team out of St. Louis, and as a result of this alleged conduct, Rams' tickets and merchandise were worth less than what people paid for them. The Rams deny all claims of wrongdoing and have agreed to a proposed Settlement Agreement to avoid incurring further expenses and burdens relating to this litigation.

If you qualify, you may be entitled to an Award of 25% of the total documented ticket and/or merchandise pre-tax price. You are a potential Class Member if, between April 22, 2010 and January 4, 2016, you were a Missouri citizen and purchased Rams tickets or merchandise in the State of Missouri for personal, family, or household purposes.
